1.5 FIELD MEASUREMENTS

The Contractor shall verify all dimensions in the field and shall advise the Contracting Officer of any discrepancy before performing the work.

1.6 PAYMENT

Payment for all work included in this Irrigation specification and shown on the Landscape Irrigation Drawings shall be included in the lump sum contract price for Item "Irrigation System", which shall include all costs in connection therewith with the sole exception being the water service connection. As stated in Specifications Section 01500, Paragraph 1.10.2 – Water Connection Fees and Requirements, the City of Santa Cruz has specific requirements for water connections that include significant fees and a list of approved contractors authorized to work on City water mains. The Contractor is required to meet all requirements of the City of Santa Cruz Water Department for completing new water service connections including using an authorized contractor, and the Contractor must pay all costs. Payment for providing the water connections and water meters including fees and authorized contractors shall be included in payment Item "Irrigation System." Note: There is one new water meters to be used for irrigation within the scope of this contract. All fees are to be paid for by the contractor. *The City of Santa Cruz has estimated the total cost for the connection fee, meter installation charge, plan review fees, permit fees and water service fees to be \$9,303.00.*

1.7 PROJECT/SITE CONDITIONS

1.7.1 Site Visit

At beginning of work, visit and walk the site with the Contracting Officer to clarify scope of work and understand existing project/site conditions.

1.7.2 Clearing

Remove all vegetative matter from site prior to beginning irrigation installation.

1.8 CONTRACTOR QUALIFICATIONS

1.8.1 Foreman

Assign a full-time employee to the job as foreman for the duration of the Contract with a certified landscape technician, certification through CLCA or minimum of four (4) years experience in landscape installation and maintenance supervision, with experience or training in irrigation.

1.8.2 Labor Force

Provide a landscape installation and maintenance force thoroughly familiar with, and trained in, the work to be accomplished. They shall have a minimum of six (6) months experience in such work in order to perform the task in a competent, efficient manner acceptable to the Contracting Officer.
